

# Hearts of Our Heroes

We would like to say huge

**Thank You**

to Leigh Ferrell

*(Director of Step One*

*Recovery Center)*

and Becca Baldowski

*(Peer Support Case Manager*

*at SPARK)*

for their dedication to serving

CSB and being willing to

travel to Emanuel County

Clinic to help us complete

some overdue cleaning up

and clearing out. They made

our days brighter and brought

much laughter to the

clinic.

We appreciate their hard

work and servant attitudes to

get the job completed and we

will miss seeing them

everyday.

Thank you ladies,

Emanuel Clinic
