

Hearts of Our Heroes

I would like to give a huge shout out to the Accounting, Billing, UM, HR and IT departments for everything they have done behind the scenes to keep employees paid, bills paid, systems running, and revenue coming in the door. A special thanks to Brenda Crews, Billing Department Manager, and Sandi Harrison, UM Manager and their teams for helping to get all of our billing and authorizations caught up and current. Though none of these staff have traditional frontline jobs, they work super hard behind the scenes to take care of critical functions necessary for keeping the CSB of Middle Georgia running well.

Thank you from our hearts to yours,

Terry Richards, CFO
