OUR STORY

The Community Service Board of Middle Georgia (CSBMG) is proud to offer Emerging Adult Services to the Emanuel County Area. M.O.S.A.I.C. isn't our first go at this. In fact M.O.S.A.I.C. is modeled after two successful Emerging Adult programs already offered by CSBMG... The Den in Laurens County & The Hub in Telfair County.

Our goal is to provide outreach to promote & communicate to others about how we can assist young adults in need of behavioral health services. We also advocate with community partners and are actively present during public events to rid stigma and develop awareness.

M.O.S.A.I.C provides services to young adults ages 16-30 as a means of ensuring a smooth transition into adulthood. The CSBMG offers goods & services as a foundation for those young adults struggling as they enter adulthood.

The Emerging Adult Programs differ from traditional behavioral health services. We offer new experiences through community outings & recreational activities that are chosen by the peers.

WHAT IS IN A NAME?

In almost every part of the world, the Dragonfly symbolizes change, transformation, adaptability, and self-realization. The change that is often referred to has its source in mental and emotional maturity and understanding the deeper meaning of life.
