What is a Peer?

A peer is a person who is equal to another in abilities, qualifications, age, background, and social status.

Who does S.P.I.R.I.T. serve?

The program is designed to serve those who carry both a behavioral health and developmental disability diagnosis. We call it, dual diagnosed, or co-occurring.

“Hi, my name is Nick Armentrout. I have conquered challenges in dealing with unexpected change by learning coping techniques while in a safe environment. I am a safety officer and a member of United for Change for the S.P.I.R.I.T. Program.”

Meet the program Manager:

Teresa Holliday is a loving mother, grandmother, and a proud resident of Laurens County. She has stepped up as a leader in her community serving as, among other things, a commissioner for the Dublin Housing Authority. She has led the S.P.I.R.I.T. program since its inception in October of 2019.

“Hi, my name is Danny Watkins. I have conquered challenges in speaking with and for my peers. I care about keeping others safe. I am a Safety Officer for the S.P.I.R.I.T Program.”
